THE STRENGTH OF A PEOPLE | THE POWER OF COMMUNITY

RACHEL O. LEVY, EXECUTIVE DIRECTOR

SCOTT WOLFE, PRESIDENT

Dear Film Enthusiasts,

Thank you for attending the 32nd Annual Jewish FilmFest of Eastern Connecticut. On behalf of the Federation, and in partnership with The Garde Arts Center, I'd like to welcome you.

JFEC's Jewish FilmFest is where our community unites. Through the power of the big screen, we continue to explore new perspectives on global Jewish life, historic events, Israel and the vital social justice issues of today. Carrying on this tradition, we hope to foster tolerance, understanding and a whole lot of community pride.

Our impact goals this year:

- **Provide** crisis intervention—including food, clothing, and other essential needs—through referrals, advocacy, and access to benefits.
- **Support** refugees by providing financial counseling, translation services, and assistance with employment and housing.
- **Combat** hate and antisemitism through educational workshops for more than 1,200 middle and high school students in Eastern CT.
- **Partner** with the Secure Community Network and a Regional Security Advisor to ensure safety at all community gatherings.
- **Expand** our Friendly Visitor program to deliver holiday packages to older adults in our community.
- **Engage** the youngest members of our community through PJ Library gatherings for children ages 0–8.
- **Strengthen** our Living Bridge with Israel through our Partnership Program with Afula Gilboa.

Together, we remain committed to strengthening Jewish life, supporting all those in need, regardless of religion, and building a safer, more connected community for all.

Sincerely,

*Rachel Levy*

Movie Lineup

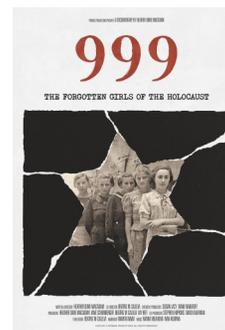

MIDAS MAN

Sunday, April 12, 3:00pm

United Kingdom, 2024, Biography/Drama/  
Music, English, 112 minutes

**MIDAS MAN** is the first, last and most respectful filmic portrait ever painted of Brian Epstein. From an original story, **MIDAS MAN** tells the personal tale of a man who struggled to find his place in the world. Brian Epstein is recognized today as the man who signed amongst others: The Beatles, Gerry and The Pacemakers, Cilla Black, Billy J Kramer, and The Dakotas and in doing so, created the blueprint for music artist management.

999: THE FORGOTTEN GIRLS

Sunday, April 19, 3:00pm

US/Sweden, 2024, Documentary/Drama/  
War, English, 86 minutes

**999: THE FORGOTTEN GIRLS** chronicles the lives of nearly one thousand young Jewish women and teenage girls deported from Slovakia to Auschwitz on March 25, 1942—the first official transport to the camp. Many were told they were being sent to work for the government. Instead, they became witnesses to, and victims of, the earliest phase of the Nazi extermination system. Through survivor testimony, rare archival footage, and meticulous historical investigation, the film restores identity and voice to women whose experiences were largely erased from the historical record.

**ELEANOR THE GREAT**

**Sunday, April 26, 3:00pm**

**United States, 2025, Drama/Comedy/War,  
English/Yiddish, 98 minutes**

June Squibb brings to vivid life the witty and proudly troublesome 94-year-old Eleanor Morgenstein, who, after a devastating loss, tells a tale that takes on a dangerous life of its own. Scarlett Johansson's directorial debut is a comically poignant exploration of how the stories we hear become the stories we tell.
